RE: Non-Profit Security Grant Program (NSGP)- Grant Funds Available for Security Enhancements and Activities

Date: March 16, 2021

The Idaho Office of Emergency Management (IOEM) is hosting a grant competition for Idaho non-Profit organizations to increase security measures. The NSPG is funded through FEMA and is intended to provide federal funding for physical security enhancements and other security-related activities to non-profit organizations that are at risk of a terrorist attack. The NSGP seeks to integrate the preparedness activities of non-profit organizations with broader state and local preparedness efforts. IOEM will be conducting a Bidder's Workshop that includes details about eligibility, funding, timelines and allowable activities for those interested; details are below:

Tuesday March 30, 2021 from 3pm to 4:30pm MST.

Video Conference information (will be recorded and posted online):
